DIRECT PRACTICE EXPERIENCE

Private practice and consulting work, 2001 to present

Forensic evaluation and court ordered examination

- Forensic evaluations incorporate behavioral and social science in an objective investigative and fact checking exploration of personal dynamics to aid courts in decision-making.
- Child custody evaluations (also known as social study evaluations) are conducted in compliance with the Texas Family Code and associated administrative, professional, and ethical guidelines, and are frequently used to assist courts in determination of children's best interests in suits affecting the parent-child relationship.
- Attorney consultation and Daubert-qualified expert witness testimony regarding behavioral health, parent-child relationships, and child welfare issues.

Therapeutic and educational activities (past and present)

- Home-based therapy with children in State licensed foster care including clinical updates and consultation to Child Protective Services workers.
- Individual adult psychotherapy and family therapy.
- Behavioral health pre-admission screening and referral interviewing for freestanding psychiatric facilities and multiple hospital systems' emergency departments.
- Continuing education seminars for counselors, social workers, psychologists, and attorneys.

Behavioral Health Access Clinician – Baylor All Saints Medical Center, 2005 to 2007

- Clinical triage and psychosocial assessments for psychiatric and chemical dependency in-patient program admission.
- Screening for referral to partial hospitalization and intensive outpatient programs.
- Initial call triage for community members seeking assistance with

behavioral health and chemical dependency issues.
- Verification of managed care benefit coverage and pre-certification of inpatient admissions.
- Maintain call database, service effectiveness monitors and other administrative tasks related to continuous quality improvement.

Executive Director – Hannah's House Supervised Visitation and Exchange Center, 2003 to 2004

- Conducted program development and maintenance, including ongoing contacts with district courts for needs assessment, grant and donor funding development, and program/policy creation and evaluation.
- Personally wrote grant applications and obtained more than $20,000 in grant funding.
- Supervised staff and volunteers, including recruitment, job development and provision of services to clients by staff members.
- Provided staff and volunteer training regarding domestic violence, sexual abuse, custody litigation, and other forensic issues.
- Participated in community education programs to publicize agency services and help minimize the impact of divorce, family dissolution, and litigation on children.

Family Court Counselor – Dallas County Family Court Services, 2001 to 2003

- Prepared court ordered social study evaluations in compliance with Texas Family Code requirements and local court rules for both contested custody and adoption cases.
- Provided mediation services to parties in the Dallas Family Courts.
- Maintained a high volume, rapid turnaround in submission of reports to the court following extensive interviews.
- Conducted emergency courthouse interviews of children and families for critical cases regarding short-term issues.

Caseworker – Texas Department of Protective and Regulatory Services, 1997 to 2001

- Conducted on-going evaluations of family functioning to assess need for therapeutic services.
- Developed treatment plans for both in-home clients and children in state foster care.
- Provided direct therapeutic intervention in structured group and in-home therapy sessions.

- Authored social studies and other reports to district courts and testified in numerous hearings on child welfare issues.
- Secured relative, kinship, foster home, and residential treatment placements for children unable to remain with families.
- Coordinated multidisciplinary treatment teams for children in foster care.

Counselor – Denton County Children's Advocacy Center, 1998 to 1999

- Provided direct counseling services to sexually abused children, their parents, and family members including leading groups for mothers of incest survivors, and individual play and talk therapy sessions.
- Generated treatment plans, DSM diagnosis of conditions to address therapeutic issues, and maintained charting of client progress in compliance with VOCA grants.
- Clinical oversight for Child Protective Services interviews of children.
- Administered various diagnostic testing instruments, wrote applications to the Texas Crime Victim's Compensation Fund, and expanded intern training.
